

THE WHITE HOUSE

WASHINGTON

July 30, 2003

I send greetings to those celebrating the national expansion of the Donated Dental Services (DDS) program.

Our Nation is blessed with dental professionals who are passionate about their work and care deeply about the lives of their patients. By donating their time and talents to helping those in need, DDS participants bring much needed services to many and contribute to a brighter future for our country.

I commend DDS participants for your compassion, generosity, and citizenship, and for answering my call to volunteer service. Your inspiring efforts strengthen your community and help to transform our Nation, one heart and one soul at a time.

Laura joins me in sending our best wishes for a memorable event.
